Notes from the teacher:

We had a blast on our field trip this week! Thanks to everyone that helped make the day so much fun!

Your child will be coming home with a community helper interview paper. If possible, please find someone you know who works in the community to answer these questions with your child. We have had so much fun learning about these helpers!

What We’re Learning:

Handwriting A-Z Review

Math: Counting to 100 and by 10's, Number Writing, Adding, subtracting

Reading: Rhyming, sight words, reading using our decoding strategies: eagle eye, lips the fish, stretchy the snake, chunky monkey, and skippy the frog.

Science: Observing our world using our senses

Writing: Focusing on stretching out words to tell our story

Social Skills: Speaking Up Assertively: If someone treats you in unsafe or mean ways, speaking up assertively is a respectful way to deal with it.

Help!

I am looking for some “props” to use for our dramatic play centers. There is a list of these items on the blog. If you are able to donate anything, it would be greatly appreciated! Thank you!!
